

YOUTH LEAGUE WARM-UP AND ANNUAL MEETING

It's time to get ready for the upcoming youth league season! All past members and those who may be interested are welcome to attend the following evenings for fun, practice, and meeting new friends. On lane tips and refreshers will be available. Bring a friend and introduce them to the league. The more bowlers we have, the better the league becomes.

Where: Eagle Lanes

Who: Youth between the ages of 5-17. ALL levels of experience welcome!

When: Monday evenings- October 6, 13, 20, and 27 at 6:00pm

Cost: \$3 per game, bowl as many as you want. Shoes are free. October 27 will start with our annual meeting/sign-up for league. No cost for youth to bowl up to three games. An adult relative or guardian must be present at the meeting to sign up their bowler(s). Please notify me if you can't attend sign-up night and plan to bowl in the league so we can get the teams ready to go.

League will start on November 3rd and run for 16 weeks (no bowling on December 29th). Cost again will be \$10/bowler/week. Thanks to Mike K. for keeping to the cost the same.

I think we had a great time last season, and look forward to an even better one this year. If anyone has questions please contact me by phone or text. Hope to see you all soon.
