HOW TO SUBMIT NOMINATIONS

Applications listing the prerequisites for nomination will be distributed at the meetings of The Northwoods USBC Association, or by league secretaries. Extra forms may be obtained from The Association Manager. The completed applications must be returned to The Association Manager of The Northwoods USBC Association no later than December 1st preceding possible election into The Hall Of Fame. All pertinent data --(including years)-- and the statistics necessary for the committee to evaluate the candidates must be included. The Northwoods USBC Association Records will be used to help verify information.

Nominations are made by Northwoods USBC Association members, and approved by The Northwoods USBC Association Board Of Directors.

Applications can be made, in writing, by any person on behalf of a nominee who is qualified.

The information submitted for any person not selected will be kept in the active file of The Association Manager for three -- (3)-- years. This means that nominees will automatically be reconsidered annually for those years, so it will not be necessary to submit a new nomination form. It will, however, be the responsibility of the nominator to up-date The Northwoods USBC Association with any additional information in that time period.

The basic qualifications are included in the next page of this packet.

Note For Nominators: Please keep a copy of the application for your records, in case the original application is lost.
